## CRITICAL INFORMATION SUMMARY INFORMATION ABOUT SERVICE

### SERVICE DESCRIPTION

This is an office phone and broadband bundle delivering an office phone service for standard phone lines as well as broadband Internet service on our own network, or where our network is not available, using wholesale services supplied to us by Telstra. You can transfer your existing office phone and broadband services or activate new services with Commander.

### MINIMUM CONTRACT TERM

1 Month

### BUNDLING ARRANGEMENTS

Bundling is optional. By bundling two (2) services you receive:

- a discount off the total stand-alone monthly access fees for the services
  - a waiver of normal set up fees (must have active phone line).
- All services must be active for the discount to be applied. If you cancel or transfer away any active service, the monthly discount will no longer be available and your minimum monthly access fee will revert back to the monthly standalone charge per service. Basic PSTN stand-alone \$55 or Basic Broadband stand-alone \$70, Advanced PSTN stand-alone \$99 or Advanced Broadband stand-alone \$80 or Premium PSTN stand-alone \$99 or Premium Broadband stand-alone \$90.

### KEY DETAILS

The Business Bundle Plans Monthly Bundle Fee includes PSTN Line Rental, included calls & data (see Pricing Table for specific plans). Included data is based on the greater of the uploaded or downloaded traffic. You pay an additional amount for making other types of calls.

You will be supplied with the fastest speed available at your location - ADSL2+ or ADSL where ADSL2+ is not available. A maximum of ten (10) Business Bundles may be combined on a single account. Plan is subject to service availability at your location. Business Bundle plans are not available for resale or high volume telemarketing purposes and are only available to new customers.

### HARDWARE

Supporting Internet connectivity hardware is required to use this service. You may use your own modem or a Business Gateway can be provided - see 'Information about Pricing'. The Business Gateway is pre-configured and customer self-installed. Please note that support is only available for Commander approved modems. For a list of approved modems, call Customer Service on 132 777.
